RECORD OF THE

IOWA GENERAL ASSEMBLY

& GOVERNOR

This voting record covers only recorded floor votes of the Iowa Senate and Iowa House that are of utmost importance to labor. Thus, unfortunately, not all of our priorities are in the record, and we must use other means to determine legislators’ positions on those issues until such time as there is an official vote. This record does, however, serve as a tool to help Iowa trade unionists assess whether or not their elected representatives support a agenda that benefits all workers, organized or not.

The Iowa Federation of Labor also scores the Governor’s actions so members can understand the record of the executive branch of government. Legislation that the IFL supported or opposed that a Governor signs, vetoes, or line-item vetoes will also be scored as well.

<td>1</td>
<td>HF 2589 - MEDICAL CANNABIS (DISQUALIFICATION OF UNEMPLOYMENT BENEFITS)</td>
<td>This bill expands the state's medical marijuana program but includes problematic language which requires disqualification from unemployment benefits under certain circumstances. This includes an employee testing positive for any controlled substance for which the individual does not have a current prescription. Previous to this bill passing, the employer must have established that an employee was impaired so as to disqualify the employee from receipt of benefits. There are many problems with the provisions in the bill and it fails to take into account the basic fact that a positive test does not necessarily equate with impairment so as to justify disqualification from benefits.</td>

<td>SF 2296 - INDEPENDENT TRUCKERS</td>
<td>The bill defines owner-operators as independent contractors including those that are under a lease-purchase agreement and leaves openings for potential worker misclassification. This excludes the employer from having the responsibility to pay normal employer expenses such as employer liability insurance, workers compensation and minimum wage. Prior to this bill passing, truck drivers were already free to enter purchase agreements or own their own vehicles. The IFL opposed SF 2296 because it puts workers in a position to be exploited by trucking companies.</td>

<td>This bill grants a blanket of immunity and relieves COVID-19 related liability from property owners/lessors, healthcare providers and anyone that manufactures, labels, sells, distributes products in response in COVID-19. <td>Limits qualified immunity by requiring business to follow federal guidelines. Federal guidance on preparing workplaces for COVID-19 are only guidelines not standards or regulation. For example, OSHA guidelines are not enforceable according to Iowa OSHA. | 14 | **HF 2486 - COUNTY SEAL ON A BALLOT (1st passage in the Senate on June 10th, 2020)**<br>**IFL POSITION: OPPOSED**<br>BILL PASSED SENATE 30-19 1 Absent or Not Voting (6-10-2020)<br>BILL SENT TO BACK HOUSE, HOUSE AMENDED/PASSED NEW VERSION AND SENT BACK TO SENATE, PASSED SENATE, AND SIGNED BY GOVERNOR | The original bill made a simple change to County Seals but amendments in the Senate were added that made large changes for voting. This new language bans the Secretary of State from mailing out absentee ballot request forms without a written request and bans auditors from using their own voting database to fill in missing information on an absentee ballot request form.  
This was a knee-jerk reaction to limit the powers of the Iowa Secretary of State when he sent out absentee ballot requests to every registered voter in the June, 2020 primary which turned out to be the largest turnout of voters in the history of primaries in Iowa.  
Note: When the bill returned to the House a compromise was reached between House Republicans and House Democrats. The House bill still restricted the powers of the Secretary of State but allows the Legislative Council to approve emergency powers for the Secretary of State including mailing out absentee ballot requests to all registered voters. This new version HF 2486 passed the Senate and was signed by the Governor. |
| 15 | **HF 2643 - FY 2021 APPROPRIATION CHANGES**<br>**IFL POSITION: OPPOSED**<br>BILL PASSED SENATE, HOUSE, AND SIGNED BY GOVERNOR | This status quo budget bill had a last minute amendment added and was debated in the Senate at 2:30 am. The addition includes voter suppression language that bans elected county auditors from using their voter database to help fill in missing information from the absentee ballot request form. Instead, within 24 hours of receiving the ABR with missing information the auditors must call, email or mail the voter to be able to input the correct information. Another new voter suppression tactic included in this bill requires an ID when voting early in person. |

| 1 | HF 2589 - MEDICAL CANNABIS (DISQUALIFICATION OF UNEMPLOYMENT BENEFITS)  
IFL POSTION: OPPOSE  
BILL PASSED HOUSE 52-48  
PASSED SENATE, SIGNED BY THE GOVERNOR | This bill expands the state's medical marijuana program but includes problematic language which requires disqualification from unemployment benefits under certain circumstances. This includes an employee testing positive for any controlled substance for which the individual does not have a current prescription.  
Previous to this bill passing, the employer must have established that an employee was impaired so as to disqualify the employee from receipt of benefits. There are many problems with the provisions in the bill and it fails to take into account the basic fact that a positive test does not necessarily equate with impairment so as to justify disqualification from benefits. |
| 2 | SF 2296 - INDEPENDENT TRUCKERS  
IFL POSITION: OPPOSED  
BILL PASSED HOUSE 51-46  
3 Absent or Not Voting  
PASSED SENATE, SIGNED BY THE GOVERNOR | The bill defines owner-operators as independent contractors including those that are under a lease-purchase agreement and leaves openings for potential worker misclassification. This excludes the employer from having the responsibility to pay normal employer expenses such as employer liability insurance, workers compensation and minimum wage.  
Prior to this bill passing, truck drivers were already free to enter purchase agreements or own their own vehicles. The IFL opposes SF 2296 because it puts workers in a position to be exploited by trucking companies. |
| 3 | AMENDMENT H-8110 to SF 2296 BY Kurtz  
IFL POSITION: SUPPORT  
AMENDMENT FAILED 48-49  
3 Absent or Not Voting | Amendment H-8110 was a simple amendment to protect truck drivers from being pressured or coerced by their employer to enter into being an independent contractor. |
| 4 | HF 2361 - MICROCHIPPED EMPLOYEES  
IFL POSITION: SUPPORT  
BILL PASSED HOUSE 98-0  
2 Absent or Not Voting  
NOT TAKEN UP BY THE SENATE | This bill makes it illegal for employers to mandate an employee have a microchip implanted. It allows employees to voluntarily agree have the device implanted but prohibits employers from offering incentives to do so. |
| 5 | HF 2473 - DEFRAUDING DRUG TESTS  
IFL POSITION: OPPOSED  
BILL PASSED HOUSE 55-42  
3 Absent or Not Voting  
NOT TAKEN UP BY THE SENATE | HF 2473 makes it a crime defraud a private alcohol or drug test. Includes using fake, stored, or another person's urine. The bill states that a first violation is a simple misdemeanor and multiple violations is a serious misdemeanor.  
Note: A serious misdemeanor is punishable by confinement for no more than one year and a fine of at least $315 but not more than $1,875. |

| 6  | SF 2142 - STATE SCHOOL FUNDING  
IFL POSITION: OPPOSED  
BILL PASSED HOUSE 51-46  
3 Absent or Not Voting  
PASSED SENATE, AND SIGNED BY GOVERNOR | Raises annual SSA (Supplemental State Aid) 2.3% but well short of keeping up with the current costs. Since 2011 the SSA has been raised an average of 1.7% per year. The IFL believes that at least a 4% increase is needed to help catch up on the many years of neglect.                                                                                          |
| 7  | SF 2338 - RELIEVES LIABILITY FOR CERTAIN ENTITIES DUE TO THE COVID-19 PANDEMIC  
IFL POSITION: OPPOSED  
BILL PASSED HOUSE 52-44  
4 Absent or Not Voting  
PASSED SENATE, AND SIGNED BY GOVERNOR | This bill relieves COVID-19 related liability from property owners/lessors, healthcare providers and anyone that manufactures, labels, sells, distributes products in response in COVID-19.  
This bill is absolutely terrible for Iowans, the interests of business are put ahead of everyday working Iowans.                                                                                                                                                                      |
| 8  | MOTION TO END DEBATE AT A TIME CERTAIN (11PM on Friday, June 5th 2020) BY WINDSCHITL  
IFL POSITION: OPPOSED  
MOTION TO TIME CERTAIN WAS ADOPTED 52-44, 4 Absent or Not Voting | Motion to end debate early, allowing only 40 minutes to debate SF2338 (COVID Liability), the most essential bill of the session.                                                                                                                                                                                                                       |
| 9  | AMENDMENT S-8235 TO SF 2338 BY OURTH, RULED NOT GERMAINE, MOTION TO SUSPEND THE RULES  
IFL POSITION - SUPPORT  
MOTION TO SUSPEND THE RULES FAILED 44-52, 4 Absent or Not Voting | Provides and further defines workers compensation for those who couldn’t stay home during the pandemic and end up getting sick at work from the COVID-19 virus.                                                                                                                                                       |
| 10 | AMENDMENT S-8204 TO SF 2338 BY CARLSON  
IFL POSITION - SUPPORT  
AMENDMENT PASSED 96-0, 4 Absent or Not Voting | Workers compensation protections for police and fire fighters.                                                                                                                                                                                                                                                                                  |

<td>HF 2643 - APPROPRIATIONS BILL (Passed on June 14th)</td>
<td>HF2643 was originally passed in the House on June 12th but the Senate added an amendment. This new version includes voter suppression language that bans elected county auditors from using their voter database to help fill in missing information from the absentee ballot request form. Instead, within 24 hours of receiving the ABR with missing information the auditors must call, email or mail the voter to be able to input the correct information. Another new voter suppression tactic included in this bill requires an ID when voting early in person.</td>

<tr>
<td>1</td>
<td>HF 2589 - MEDICAL CANNABIS (DISQUALIFICATION OF UNEMPLOYMENT BENEFITS)</td>
<td>This bill expands the state's medical marijuana program but includes problematic language which requires disqualification from unemployment benefits under certain circumstances. This includes an employee testing positive for any controlled substance for which the individual does not have a current prescription. Previous to this bill passing, the employer must have established that an employee was impaired so as to disqualify the employee from receipt of benefits. There are many problems with the provisions in the bill and it fails to take into account the basic fact that a positive test does not necessarily equate with impairment so as to justify disqualification from benefits.</td>
</tr>
<tr>
<td>2</td>
<td>SF 2296 - INDEPENDENT TRUCKERS</td>
<td>The bill defines owner-operators as independent contractors including those that are under a lease-purchase agreement and leaves openings for potential worker misclassification. This excludes the employer from having the responsibility to pay normal employer expenses such as employer liability insurance, workers compensation and minimum wage. Prior to this bill passing, truck drivers were already free to enter purchase agreements or own their own vehicles. The IFL opposes SF 2296 because it puts workers in a position to be exploited by trucking companies.</td>
</tr>
<tr>
<td>3</td>
<td>SF 2142 - STATE SCHOOL FUNDING</td>
<td>Raises annual SSA (Supplemental State Aid) 2.3% but well short of keeping up with the current costs. Since 2011 the SSA has been raised an average of 1.7% per year. The IFL believes that at least a 4% increase is needed to help catch up on the many years of neglect.</td>
</tr>
<tr>
<td>4</td>
<td>SF 2338 - RELIEVES LIABILITY FOR CERTAIN ENTITIES DUE TO THE COVID-19 PANDEMIC</td>
<td>This bill relieves COVID-19 related liability from property owners/lessors, healthcare providers and anyone that manufactures, labels, sells, distributes products in response in COVID-19. This bill is absolutely terrible for Iowans, the interests of business are put ahead of everyday working Iowans.</td>
</tr>
<tr>
<td>5</td>
<td>HF 2643 - APPROPRIATIONS BILL</td>
<td>This last minute budget bill includes voter suppression language that bans elected county auditors from using their voter database to help fill in missing information from the absentee ballot request form. Instead, within 24 hours of receiving the an ABR with missing information the auditors must call, email or mail the voter to be able to input the correct information. Another new voter suppression tactic included in this bill requires an ID when voting early in person.</td>
